

## 2017 – 2018 Bus Directories and Routes

**Stops and times are estimated and may fluctuate based on student ridership, traffic and weather conditions. Please revisit the website a few days before school begins for possible route changes. Once school is in session students will be notified of route changes.**

**Students should be at their bus stops 10 minutes before the scheduled time and wait up to 10 minutes after before calling the school or bus company.**

**If an expected stop is not listed, please contact the Bus Company at 797 – 0700.**

**Please revisit the website a few days before school begins to double check route stops. Once school is in session students will be notified of any route changes.**

**Thank you in advance for your patience during the first few days of school,
