Movie Review

by Christopher Kenkoff

Over the weekend I saw Avengers Infinity War.

The main characters are the Avengers, Guardians of the Galaxy, Thanos, Black Panther and the Wakandians.

The setting in this movie is different planets and Wakanda.

The summary of the movie is Iron Man, Hulk, and the rest of the Avengers unite to battle their most powerful enemy Thanos. Thanos is on a mission to collect all six infinity stones and wipe out half of the universe. Spider Man and Guardians of the Galaxy go with Thor, while Gamora, Thanos' daughter, try to stop her father from his evil plan.

In the end, Thanos gets his stones and snaps his fingers and our heroes start to disintegrate.

I liked when the heroes helped each other out. I disliked when the heroes disintegrated at the end. My favorite part is when Bruce Banner could not turn into the Hulk.
