Once an employee has served his/her probationary period, his/her seniority shall date from the date of his/her employment. For all promotions, transfers, lay-off, re-employments, and bidding, the following factors as listed below shall be considered; and where factor (a) is relatively equal, seniority will be the determining factor. From and after the date of this Agreement, employment records of present and new employees shall be maintained by the District. An employee who, after the date of this Agreement,

experiences a break in length of continuous service, if subsequently re-employed, shall be considered to be a new employee.

In order to be eligible to receive the retirement incentive payment specified by this Article, employees must submit a written, irrevocable notice of intent to resign from the District up to five (5) years immediately prior to resignation.

Section 21.2

An eligible employee shall receive a retirement incentive payment equal to \$1,000 for each year of service in the District, up to a maximum of \$15,000 payable in equal installments with regular payroll over the employee's final years of employment (up to five (5) years) provided that such payment will not cause the employee's IMRF earnings for any twelve-month period to exceed six percent (6%) over the prior twelve-month period IMRF earnings (inclusive of all other compensation, including but not limited to any attendance bonus, longevity, stipends, and extra duties). Any portion of the retirement incentive payment in excess of 6% will be paid following the employee's resignation from the District in one lump sum one week after the conclusion of the first calendar month following the month in which the employee's employment with the District terminated.

Example: Employee has worked for District for 11 years at the end of the 2012/2013 school year. On June 1, 2013, he gives notice to retire effective June 30, 2017. Beginning with the paycheck received July 1, 2013, his pay is increased for the 2013/2014 school year by an amount equal to \$11,000/4 years of paychecks capped at 6% creditable earnings increase over the prior 12 months creditable earnings. If he remains employed, starting with the 2014/2015 school year, the retirement incentive payment will be recalculated to include the additional \$1,000 for the completion of each subsequent school year and paid out over paychecks to the extent it will not cause the creditable earnings for any 12 months to exceed the immediately prior 12 month creditable earnings by more than 6%. Any incentive payment not paid out over the paychecks by the time of retirement June 30, 2017, will be paid in one lump sum after the first in August, 2017.

Grievance Procedure

Section 22.1

The Union and the Employer agree that there shall be no tie-up or interruption of work, or work stoppages within the compliance of this contract without first using all possible means of settlement, as provided for in this Agreement, of any controversy (as defined below) that may arise. The Union and the Employer further agree that:

- (a) Every effort will be made to solve all controversies at the lowest possible level and as expeditiously as is feasible;
- (b) There shall be no discrimination against any employee for having filed a grievance;
- (c) There shall be no solicitation of grievances from employees;
- (d) The failure to file a grievance as provided will relieve the Employer of all financial obligations and shall not be binding on such Employer.
- (e) An employee and the shop steward may present a complaint or grievance in the event of a controversy between that employee and the School District in accordance with the procedures specified in 2 below, provided the first step (2a below) is initiated within thirty working days of the incident resulting in the controversy.

- (f) The Union Business Agent may present a complaint or grievance in the event of a controversy between two or more Union members and the School District in accordance with the procedures specified in 2 below, provided the first step (2a below) is initiated within thirty working days of the incident resulting in the controversy.

Section 22.2

Should differences arise between the Employer and the employees as to the meaning and application of the provisions of this Agreement or others related to employee working conditions not covered by this Agreement, an earnest effort will be made to settle same in the following manner:

- (a) First Step. The employee and the shop steward (1e above) or the Business Agent (1f above) shall discuss the controversy with the supervisor or administrator responsible for the incident resulting in the controversy. The responsible supervisor or administrator shall investigate the incident fully and provide the person(s) with whom this issue was discussed a response within five working days of the time the matter was brought to his attention. In the event the matter remains unsettled at this point, the Union may proceed to the second step as provided below.
- (b) Second Step. The Union shall reduce the grievance to writing to include the signature of the aggrieved employee or the Union representative and present the grievance to the next higher level of administration for consideration. Unless otherwise mutually agreed to, the responsible administrator shall, within two working days arrange for a meeting with the Union representative for the purpose of gaining mutual understanding of the grievance. This administrator shall, within five working days investigate the grievance and provide the Union representative a written response to the grievance. In the event the matter remains unsettled at this point, the Union may proceed to the third step as provided below.
- (c) Third Step. If the dispute is not disposed of, then within the next fifteen (15) school days, the President of the Union (or his designee) and the Superintendent of Schools (or his designee) shall meet and attempt to resolve or dispose of the dispute. The Superintendent shall answer in writing within fifteen (15) school days of the meeting unless the time is extended by mutual agreement. If this fails to satisfy settlement in writing, the matter may be advanced to 21.3 arbitration within five (5) working days following the next regularly scheduled Union meeting. (Meetings are scheduled on the second Saturday of each month)
- (d) Fourth step. Unresolved third step disputes shall be represented at a hearing before the board prior to arbitration for cases of termination only. If this fails to satisfy settlement in writing, the matter may be advanced to 21.3 arbitration within five (5) working days following the next regularly scheduled Union meeting. (Meetings are scheduled on the second Saturday of each month)

Section 22.3

In the event the grievance cannot be settled using the procedures specified in 21.2 above, either party may request the matter be submitted to arbitration using the following procedures:

- (a) Within ten (10) days after the receipt of a request that the matter be submitted to arbitration, the Union and the School District shall select an arbitrator. In the event the Union and the School District cannot agree on the arbitrator to be selected, a joint request signed by both the Union Business Agent and the Superintendent of Schools (or his designee) shall be submitted to the American Arbitration Association, or any state agency that provides arbitration services and is mutually agreed upon by both

parties, requesting a panel of not more than five or less than three qualified arbitrators be furnished from which the Union and the School District shall select the arbitrator.

- (b) The arbitrator shall begin his investigation as early as possible and by a date mutually agreeable to all parties. The decision of the arbitrator shall be final and binding on both parties unless contrary to the laws of the State of Illinois. UNION, LOCAL 98 (AIDES & INTERPRETERS)

President

President

Business Agent

Granite City C.U.S.D. #9 and Local 98 of the Service Employees International Union wish to enter into an agreement on Section 12.5 of the contract.

Section 12.5 states, "Employees who are at least 55 but not yet 65, who have completed eight or more years of full-time employment with this school district, who are eligible for an immediate annuity from the Illinois Municipal Retirement Fund (IMRF), and who give notification to the Board of Education at least 30 days prior to the date said retirement is to be effective, may elect to receive partial payment of their monthly health insurance premium.

The Board agrees to pay a maximum of \$150 toward the monthly premium of single coverage insurance for any retired bargaining unit member."

If an employee meeting the qualifications for this benefit retires and does not need the \$150 to put towards the monthly premium of single coverage insurance (Ex. They get on their spouse's insurance plan who is an employee of the district), the district is not obligated to pay them the maximum of \$150. If at a later date, the employee obtains single coverage, the district will pay a maximum of \$150 toward the monthly premium of single coverage insurance.

The parties agree that this action constitutes no "past practice" regarding contract interpretation and/or implementation.
