"Attention Warriors interested in joining the GCHS esports program, we will be having an informational meeting after school this Thursday in room 176. Last year our Rocket League team went on to be 6th place overall in the Central Time zone region, out of over 320+ teams. This year we hope to go further, as well as expand our selection of games to include Smash Bros Ultimate and Splatoon 2. We will also have the possibility of including other games, such as League of Legends, SMITE, FIFA, and Madden. If you have any interest in trying to get a spot onto one of our teams, please attend. Lastly, Warrior esports is a co-ed team, so all students can apply."-9/2

Seniors, it's already that time of year to start applying to colleges and universities. Many schools have a priority deadline of December 1st that also allows you to qualify for scholarships if you get your application in before then. To send official transcripts you will need to set up an account at www.parchment.com. If you have any questions, please see your counselor.-9/1
