SEPTEMBER CHARACTER TRAIT OF THE MONTH IS CREATIVE

The high school Library is fully open. Stop by anytime your teachers will allow you to grab a book. All book returns should go in the blue book return box outside the entrance so they can be cleaned for covid. If you have a book from a prior year, return it now and your late fees will be cleared.

If you need to use any library resources during a study hall, get a yellow study hall pass from one of your subject teachers. Study hall teachers are not to give these out. If you get a pass, report straight to the library by the tardy bell (don't go to study hall 1st).

Sign up for the state reading program, Read for a Lifetime, with your English teacher or in the library. When you finish 4 books, you will fill out a very quick form and get a free new book and a certificate from the state. -9/17

Renaissance is celebrating 5 more stars for Ren Top Ten. Kyle Burge, Lexi Kunz, Lucas Hutchings, Maddowx Kennedy, and Nick Butchee have each donated their time to help incoming freshmen as they transition into high school. Renaissance, and the school, would like to thank you for what you have done. -9/15

Peer Tutoring is available during any lunch study hall. Just get a pass from your classroom teacher and report directly to the Peer Tutor Room instead of going to your study hall.

The after school **Academic Support Network** is now also up and running every Tuesdays and Thursdays from 3 p.m. to 4 p.m. in the Media Center. On Tuesdays, there will be Math and English help available. On Thursdays, help will be available in math, science, and English.

If you have any questions, see Mr. Moran in the office or Ms. Albrecht in room 138. -9/17

On Saturday, the **GCHS Marching Warriors** competed in the O'Fallon Metro East Marching Band Classic. The band had an outstanding performance earning **Third Place** in Class 3A and the trophy for **Best Color Guard**. Way to go Marching Warriors!!

We would also like to thank the **GCHS Robotics Team** along with their sponsors, **Mrs. Heath** and **Mr. Laycock**, for agreeing to partner with the band this year in creating the robot for our show.
