*Refer to Your Basic Schedule of Benefits to determine to which coverage this page applies. When applicable, the Schedule of Benefits will indicate employee premium CONTRIBUTIONS are required and INDIVIDUAL EFFECTIVE DATE is Immediate.*

#### **SECTION 4 - INDIVIDUAL EFFECTIVE DATE CONTRIBUTORY INSURANCE**

The eligible Employee, prior to receiving coverage under the policy, must make written election to AUL on a form approved by AUL and must make timely contributions of the required amount of premium to AUL. The effective date of insurance for an eligible Employee, subject to the further provisions of this Section, is:

- 1) the date the Employee becomes eligible for coverage if the election is made on or before the date the Employee becomes eligible and the amount requested does not exceed the Guaranteed Issue Amount;
- 2) the date of the election if the election is made within 31 days after the date the Employee becomes eligible and the coverage amount requested does not exceed the Guaranteed Issue Amount; or
- 3) the date determined by AUL when Evidence of Insurability is required. Satisfactory Evidence of Insurability, at no expense to AUL, must be provided if:
  - a) election is made more than 31 days after the date the Employee becomes eligible for coverage;
  - b) the amount requested exceeds the Guaranteed Issue Amount shown in the Schedule of Benefits; or
  - c) election is made after a termination of coverage due to failure to make contributions.

Any eligible Employee who converted his insurance under the policy to an individual life insurance policy and if that individual life insurance policy is still in force, the employee is required prior to becoming insured again under the policy to undergo medical underwriting and submit satisfactory Evidence of Insurability, at no expense to AUL. If the Employee does not wish to undergo medical underwriting and submit satisfactory Evidence of Insurability, the Life Amount under the policy will be reduced by the amount of coverage under the individual life insurance policy. No coverage shall begin until the date AUL has approved the request for coverage in writing and the required amount of premium is received from the Employer.

If an Employee is not Actively at Work on the date insurance would otherwise become effective, the effective date will be the date the eligible Employee returns to Active Work.

Contributions for Basic insurance are required from Employees for Personal Insurance.

Also see Continuity of Coverage, Section 5, if included in the policy.

## SECTION 6 - CHANGES IN INSURANCE COVERAGE

The amount of coverage for which You are eligible is shown in the Schedule of Benefits.

A change in coverage that does not increase the amount of coverage becomes effective the earlier of:

- 2) the policy anniversary date following AUL's written approval of the change, if the date of AUL's approval is the policy anniversary date; or
- 3) the policy anniversary date next following AUL's written approval of the change, if the date of AUL's approval is after the policy anniversary date.

Prior to a change in coverage that increases the amount of coverage, You must be Actively at Work and the required amount of premium must be paid.

A change increasing the amount of coverage equal to or less than Your Guaranteed Issue Amount takes effect on:

- 1) the policy anniversary date, if the date You become eligible for insurance is the policy anniversary date; or
- 2) the policy anniversary date next following the date You become eligible for the change in coverage, if You become eligible for the change after the policy anniversary date.

A change in coverage increasing the amount of coverage above Your Guaranteed Issue Amount is subject to:

- 1) satisfactory Evidence of Insurability, at no expense to AUL; and
- 2) upon AUL's written approval, takes effect on:
  - a) the policy anniversary date following AUL's written approval of a request for change, if the date of AUL's approval is the policy anniversary date; or
  - b) the policy anniversary date next following AUL's written approval of a request for change, if the date of AUL's approval is after the policy anniversary date.

If You are not Actively at Work on the policy anniversary that is the approved change date, any increase in the amount of coverage takes effect on the first day of the Coverage Month following Your return to Active Work.

## **SECTION 9 - INDIVIDUAL TERMINATIONS**

Personal Insurance terminates on the earliest of the following dates:

or
- 8) the date of an adverse benefit determination under the Waiver of Premium provisions, if applicable.

## SECTION 10 - CONVERSION PRIVILEGE

If Your coverage, or a portion of it, terminates because You are no longer eligible for coverage under the policy, You may apply for an individual life insurance conversion policy without evidence of insurability. The coverage amount of the individual life insurance conversion policy shall not exceed the amount of life insurance that ceases because of loss of eligibility for coverage under the policy minus the amount of any group life coverage for which You become eligible within 31 days of termination.

If Your coverage ceases due to termination of the policy, You may apply for and receive an individual life insurance conversion policy if Your group life insurance has been in force with AUL for five (5) continuous years before the termination date. The coverage amount of the individual life insurance conversion policy may not exceed the LESSER of:

- 1) the amount of life insurance that ceases because of termination minus the amount of any group life coverage for which You become eligible within 31 days of termination; or
- 2) \$10,000.

The conversion privilege is subject to the following:

- 1) Written application must be made and the first premium must be paid within 31 days after the date of termination of insurance.
- 2) An individual life insurance policy, other than term life insurance, offered by AUL at the time of conversion, may be selected.
- 3) The premium on the individual policy must be at AUL's then customary rate applicable to the form and amount of the individual policy, to the class of risk to which You or Your dependent then belong, and to the individual age attained by You or Your dependent on the effective date of the individual policy.
- 4) The individual life insurance conversion policy takes effect on the last day of the application period and is in lieu of all benefits under the Policy.

If notice of the existence of the conversion right is not given at least 15 days before the expiration of the period during which the conversion application and payment of the first premium must be made under the terms of the policy, You have an additional period within which to exercise the conversion right. The additional conversion application period created to exercise a right of conversion expires 15 days after You are given notice of the conversion right. However, irrespective of the date on which notice is given or of the absence of any notice, the additional conversion application period may not extend beyond 60 days after the expiration date of the period within which conversion application period and payment of the first premium were to be made under the terms of the policy. For purposes of this section, notice of the right of conversion may be given to You in writing, presented to You; mailed by the Group Policyholder to Your last known address; or mailed by the insurer to Your last known address as furnished by the Group Policyholder.

If death occurs during the conversion application period, AUL will pay the Life Amount available for conversion whether or not the application or the first premium payment has been made. After the 31-day period, no conversion application will be accepted unless it is proven that it was not possible for You to apply in a timely fashion. The individual life insurance conversion policy will not include Accidental Death benefits or any other benefits currently in force under the policy.

Premium must be paid to and received by AUL for coverage during the conversion application period.

**IF DEATH OCCURS DURING THE CONVERSION APPLICATION PERIOD, IN NO EVENT WILL BENEFITS BE PAYABLE UNDER BOTH THE INDIVIDUAL CONVERSION POLICY AND THE POLICY.**

## **SECTION 15 - PAYMENT OF DEATH BENEFITS**

If You die while insured under the policy, AUL will pay the benefits owed under the policy to the Beneficiary:

- 1) upon timely receipt of acceptable proof of death; and
- 2) subject to all other provisions of the policy and to Your dated and signed designation.

The following Sections describe the manner in which death benefits are paid.

## **SECTION 16 - NAMING OF BENEFICIARY**

**BENEFICIARY** means the individual, individuals or entity named by You to receive Your Life Amount.

Unless the policy provides otherwise, AUL will pay benefits according to Your Beneficiary designation.

When You apply for coverage on an AUL-approved form, You should:

- 1) designate the name of one or more Beneficiaries;
- 2) classify the Beneficiaries by order of preference, either primary or contingent; and
- 3) indicate distribution of the proceeds among members of the class of Beneficiaries.

If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally. If no primary Beneficiaries outlive You and there is no distributive share indicated among the contingent Beneficiaries, then all contingent Beneficiaries will share equally.

If the policy replaces insurance coverage of another carrier, AUL may, upon written request of the Group Policyholder, recognize Beneficiary designations in effect under the prior coverage as effective until a new designation is made with AUL, provided that prior designations are in a form acceptable to AUL and the Group Policyholder receives AUL's written approval of the form.

### **CHANGING A BENEFICIARY**

You may change a Beneficiary at any time by written request. The request must be completed, signed, dated and filed through the Group Policyholder.

AUL may recognize a beneficiary change as of the date the form was signed by You even if You are not alive when AUL receives it. However, AUL is not liable if benefits are paid according to the previous designation before AUL receives the change. If You apply for an individual life insurance conversion policy under Section 10, Conversion Privilege and name a new Beneficiary, AUL will use any beneficiary designated in that application when determining which beneficiary to pay.

AUL reserves the right to require that any Beneficiary designation be acceptable to it and be made pursuant to applicable laws.

## **SECTION 17 - THE DEATH CLAIM**

If You die while insured under the policy, proof of death should be furnished as soon as possible. The claim must be submitted within 12 months of the date of death. The claim may still be considered if it can be shown that timely submission of the claim was not possible due to events beyond the control of the beneficiary, but will not be considered after the applicable statute of limitations has passed.

Proof of death must include:

- 1) a certified death certificate; and
- 2) a completed claim form.

AUL, at its option, may also require:

- 1) return of Your insurance certificate;
- 2) submission of pertinent medical records, including an autopsy report;
- 3) police reports; or
- 4) any other documents AUL may deem reasonably necessary to determine what benefits and to whom benefits are owed.

If the cause of death cannot be clearly established by other means, AUL reserves the right to have a medical examination performed. The examination will be performed:

- 1) at AUL's expense; and
- 2) by a Physician of AUL's choice.

If the policy is no longer in force, proof furnished more than two (2) years from the date of loss must also include:

- 1) proof of employment at death; and
- 2) proof of coverage under the policy at death.

## **SECTION 18 - DETERMINATION OF BENEFICIARY**

Once acceptable proof of death is received, AUL will determine the Beneficiaries or payees in the following order:

- 1) If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally.
- 2) If no primary Beneficiaries outlive You and there is no distributive share indicated among contingent Beneficiaries, then all contingent Beneficiaries will share equally.
- 3) If no named Beneficiaries outlive You or none were named, then at AUL's option, the closest surviving heir(s) if the benefits could be paid to these heir(s) under applicable small estate laws. Heirs will be considered in descending order of preference as follows:
  - a) spouse;
  - b) child(ren);
  - c) parent(s); or
  - d) brother(s) and sister(s).
- 4) If no named Beneficiaries outlive You or none were named and the benefits could not be paid to the closest surviving heir(s) under applicable small estate laws, then Your estate.

AUL may, at its option, pay the proceeds in an amount up to \$2,000 to any individual appearing to AUL to be legally entitled to payment by reason of having paid funeral or other burial expenses related to Your death.

In the event You and Your Dependents should die simultaneously or if there is no clear evidence as to which individual died first, it shall be presumed that the Dependents should have predeceased You.

If any Beneficiary dies within 15 days after Your death, the Beneficiary will be treated as having died before You. This provision does not apply to any payment mailed to such Beneficiary during the 15 days following Your death, and any payment made in good faith shall fully discharge AUL.

## **SECTION 19 - SELECTION OF PAYMENT METHOD**

The proceeds will be paid in a lump sum unless another payment method is selected or changed by giving written notice to AUL prior to Your death. If no payment method is in effect at death, the payee may select a payment method. For information concerning payment method options, You or payee should contact AUL.

Benefits will be paid only if AUL decides in its discretion the person is entitled to them and after AUL approves the payment method. Any person who becomes entitled to receive any portion of the proceeds under the policy shall be entitled to receive payment of interest if any payment is not received by such person within 30 days after the event giving rise to the obligation and after all requested information is received by AUL. Interest payable shall be calculated at an annual rate after all requested information is received by AUL. The rate of interest payable shall be the lesser of 3% or that rate, as determined from time to time by AUL, applicable to proceeds of life insurance left on deposit with AUL and subject to withdrawal on demand. For the purposes of this section, payment shall be deemed to have been received by the person when deposited by AUL in United States mail, postage prepaid, and directed to the person's last known address or the Group Policyholder's address shown in AUL's records.

Other than lump sum payment, AUL reserves the right to specify the minimum periodic payment when a method is to become effective.

## SECTION 21 - GENERAL POLICY PROVISIONS

**ENTIRE CONTRACT:** The policy, the enrollment forms of the individuals, the application of the Group Policyholder, and any amendments made from time to time constitute the entire contract between the parties.

**AMENDMENT and CHANGES:** The policy may be amended by mutual agreement between the Group Policyholder and AUL but without prejudice to any valid claim incurred prior to the effective date of the amendment. The policy may be changed or corrected by AUL at any time. However, no change in the policy will be valid unless written notice is provided by AUL containing the signature of its Chief Executive Officer or Secretary. No other person can alter or waive the conditions of the policy or make any agreement that shall be binding upon AUL. No agent may or has the authority to waive, alter or change any terms and conditions of the policy or coverage.

**INCONTESTABILITY:** The validity of any coverage under the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for two years after its date of issue, and other than a misrepresentation of a material fact, no statement made by Group Policyholder or You or Your Dependent relating to Your insurability may be used in contesting the validity of the insurance with respect to which the statement was made, unless: (1) the insurance has not been in force for a period of two years or longer; or (2) the statement is contained in a written instrument signed by the Group Policyholder or You or Your Dependent. However, AUL is not precluded from asserting at any time any defenses based upon provisions in the policy relating to eligibility for coverage. All statements made by the Group Policyholder or by the Employees or Dependents insured are to be deemed representations and not warranties, and that other than a misrepresentation of a material fact no statement made by any person insured may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Employees or Dependents or, in the event of death or incapacity of the Employee or Dependent, to the Employee's or Dependent's beneficiary or personal representative.

**INSURANCE FRAUD:** AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. AUL promises to focus on all means necessary to support fraud detection, investigation and prosecution.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance may be guilty of a crime and may be subject to fines and confinement in prison.

**RELATIONSHIP:** AUL and the Group Policyholder are, and will remain, independent contractors. Nothing in the policy shall be construed as making the parties joint ventures or as creating a relationship of employer and employee, master and servant, or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Group Policyholder each retain exclusive control of their time and methods to perform their respective duties. AUL and the Group Policyholder will employ, pay and supervise their own employees and pay their own expenses during the term of the policy.

## **SECTION 21 - GENERAL POLICY PROVISIONS**

### **Continued**

**GRACE PERIOD:** Premiums are due monthly and must be received by AUL within the required time frame for coverage to remain in force. You are entitled to a grace period of 31 calendar days for the payment of any premium due except the first. During the grace period, the insurance coverage shall continue in force, unless AUL has received written notice of termination in advance of date of termination and in accordance with the terms of the policy. Group Policyholder is liable to AUL for the payment of a pro rata premium for the time the policy was in force during the grace period. If the required amount of premium is not received by the end of the grace period, the insurance will terminate as of the last day of coverage for which premium was paid.

**LEGAL ACTION:** No legal action may be brought to obtain benefits under the policy:

- 1) for at least 60 days after proof of loss has been furnished; or
- 2) after five (5) years from the time written proof of loss is required to have been furnished to AUL.

**CONFORMITY WITH STATE LAWS:** Any provision of the policy in conflict with the laws of the state in which it is delivered is amended to conform to the minimum requirements of those laws.

**DATA AND RECORDS:** The Group Policyholder must furnish information which AUL reasonably requires. The Group Policyholder's documents which may have a bearing on the insurance shall be open for inspection by AUL at all reasonable times.

**GENDER PRONOUNS:** Whenever the male pronoun is used, it shall also mean the female.

**CERTIFICATES:** If there is any discrepancy between the provisions of any certificate and the provisions of the policy, the provisions of the policy will govern.

**ASSIGNMENT:** You may make an absolute assignment of all benefits and rights of Your coverage. Any coverage is assignable to the extent permitted by law except that no collateral assignment is permitted. No assignment is binding unless filed with AUL in a form acceptable to it. AUL assumes no responsibility for the validity or effect of any assignment.

**CLAIMS OF CREDITORS:** The benefits paid under the policy will be exempt from the claims of creditors to the maximum extent permitted by law.

**CLERICAL ERROR:** Clerical error on the part of the Group Policyholder or AUL will not invalidate insurance otherwise in force or continue insurance otherwise validly terminated. Upon discovery of an error, an equitable adjustment will be made in the premiums and/or benefits, if appropriate.

**MISSTATEMENT OF AGE:** If Your age or Your Dependent has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts. Any adjustment of benefits due to the correction of age will also be made.

## **SECTION 21 - GENERAL POLICY PROVISIONS**

### **Continued**

**ARBITRATION:** An arbitration provision is not a substitute for a person's right to maintain a legal action if he so desires; and in no way affects or limits a person's ability to take legal action in a court of law, prior to voluntarily agreeing to enter into an arbitration proceeding.

By voluntarily agreeing to enter into an arbitration proceeding, the parties should be aware and understand that they may be giving up certain right to have their dispute settled in and by a court of law, except to the extent that Illinois law may provide for judicial review of arbitration proceedings.

Any controversy or claim arising out of or relating to the policy, the sale or solicitation of the policy, or its breach thereof whether in tort, contract, breach of duty (including but not limited to) any alleged fiduciary, good faith and fair dealing duties, may be decided by arbitration in accordance with the Federal Arbitration Act, the procedures of the commercial arbitration rules of the American Arbitration Association, and this agreement. The Court of Arbitrators, which is to be held in the county seat where the Policyholder resides, shall consist of three (3) arbitrators familiar with group insurance and employee welfare benefit plans. The selection of the arbitrators shall be conducted within thirty (30) days after proper service of a demand for arbitration. One of the arbitrators shall be appointed by AUL, one by the insured, and the third shall be selected by the first two appointees prior to the beginning of arbitration. Should the two arbitrators be unable to agree upon the choice of a third, the appointment shall be left to the President or any Vice President of the American Arbitration Association. The arbitrators shall decide by a majority of votes, the award shall be in writing, the decision shall be signed by a majority of the arbitrators, and they shall include a statement regarding the reasons for the disposition of any claim. Judgment on the award rendered by the arbitrators may be entered by any court having jurisdiction thereof. The parties are not precluded from challenging the decision under the Federal Arbitration Act or applicable law. Unless not allowed under applicable law, each party shall bear the expense of its own attorney and arbitrator, and shall share equally with the other party the expenses of the third arbitrator and of the arbitration.

The parties agree that AUL is engaged in interstate commerce, and the transaction is governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16.

Consistent with the expedited nature of arbitration, each party will, upon the written request of the other party, promptly provide the other with copies of documents relevant to the issues raised by any claim or counterclaim on which the producing party may rely in support of or in opposition to any claim or defense. Any dispute regarding discovery, or the relevance or scope thereof, shall be determined by the arbitrator(s), which determination shall be conclusive. All discovery shall be completed within 60 days following the appointment of the arbitrator(s) or longer following mutual agreement by the parties.

**ERISA APPEAL GUIDELINES WHEN POLICY IS GOVERNED BY ERISA:** If a claimant wishes to appeal AUL's decision, claimants are allowed 60 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. Whether a document, record, or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. Section 2560.503-1. AUL's review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. Section 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. Section 2560.503-1.

## **ADMINISTRATIVE NOTICE**

### **CIVIL UNIONS**

The Illinois legislature created the Illinois Religious Freedom Protection and Civil Union Act ("The Act") effective June 1, 2011. The Act creates a legal relationship between two persons of the same or opposite sex who form a Civil Union and the parties to a Civil Union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses.

This policy and the administration of it comply with the Act.

**NOTICE OF  
PROTECTION PROVIDED BY  
ILLINOIS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** description of the Illinois Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Illinois law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Illinois law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association per insolvency are:

- 1) Life Insurance
  - a) \$300,000 in death benefits
  - b) \$100,000 in cash surrender or withdrawal values
- 2) Health Insurance
  - a) \$500,000 in hospital, medical and surgical insurance benefits\*
  - b) \$300,000 in disability insurance benefits
  - c) \$300,000 in long-term care insurance benefits
  - d) \$100,000 in other types of health insurance benefits
- 3) Annuities
  - a) \$250,000 in withdrawal and cash values

\*The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except special rules apply with regard to hospital, medical and surgical insurance benefits for which the maximum amount of protection is \$500,000.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.ilhiga.org](http://www.ilhiga.org) or contact:

Insurance companies and agents are not allowed by Illinois law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Illinois law, then Illinois law will control.
